CASE NO # 1:23-CR-39

I've wrote the Hon. Robert J. Jonker a few letters explaining to him the in affective assistance that I've been receiving from counsel Scott Graham (Defense Attorney). Hon. Robert J. Jonker assertively explained to me, to stop writing him an instead write (communicate) my attorney. He has not done what I've been requesting (object to my PSR), when in fact he knows 100% that prosecutor Erin K lane has been tampering with evidence.

On 6-29-23 filed a response to my (defense motion in limine) motion ECF NO. 31 Page ID. 118 paragraph (5) Phone location data placed me and H.K. together and how we traveled in tandem until 11:00 pm. She also claims (Erin K lane) she has witnesses.

On 8-10-23 Me, counsel Scott Graham, Erin K. lane, and a room full of other government employees had a secret meeting that I Carlos Vance Watts Jr did not request. In this meeting Erin K lane showed me evidence from the protective order for "Discovery materials" ECF NO. 29 page ID 99. That Hon. Robert J. Jonker signed on 6-27-23. She (Erin K lane) threatend me (Carlos V. Watts Jr) with the death penalty. I was not allowed to speak during this process, but I pointed out to my attorney Scott Graham that Erin K. lane just showed a picture of H.K. inside of circle K gas station in portage michigan on Sprinkle Rd at "9:28 PM" on 12-10-22. And I'm at work in Kalamazoo Michigan (Park club) until 10:31 PM.

Erin K lane Also released this information to ~~the~~ media (woodtv/Ken Kolker).

Previous assistant counsel sean Filton kept saying to counsel (former) James Stevenson Fisher that this data was tampered with (cell location). Along with me! once attorney Scott Graham explained to Erin K. lane what I discovered (Her tampering with evidence) she dropped her approach all together with the cell phone data... However, I can prove that she also is tampering with the Du-rag evidence. For it was on me when I got arrested. An when I left the jail, all my clothes were gone! I can prove HK did not come to pick me up. I can prove that witnesses seen a red pick up truck and "not my brother" burn HK vehicle..."

I have NO related cases, I have no co-defendants, I'm not being relevant

up truck burn H.K. Vehicle and "not my Brother."

I have no related cases, I have no co-defendants, I'm not being relevant conducted. The government is putting lies into my PSR to manipulate Hon. Robert J. Tonker. I Carlos Vance Watts JR. beg the courts to allow my subpoena list to be processed so I can have a fair chance at objecting to my PSR.
